

Quilters Unlimited Newsletter

The newsletter for Northern Virginia's Quilters

Volume 30, Number 3

January 2003

President's Message

Happy New Year! As usual, the holiday season went by so fast. This is our Winter newsletter, which means the QU year is really speeding by.

There have been some fun and informative functions this year, and we only have a few more events, then the year will be over. But they should be great events, so don't miss them!

As I write this, we still have the Winter Quilt-to look forward to. A big 'thank you' goes to McLean and Vienna Chapters for their organization of this event, which I'm sure, will be a lot of fun. Mark your calendar for January 19th, 2003, at the Falls Church High School.

The QU Board of Directors (The elected Board and Chapter Presidents) met for an extended session and discussed the matter of amendments to our current by-laws. Suggestions have been proposed for improvements to deal with problems that have developed over the years. Amendments that were approved will be sent to each member in the next newsletter. My thanks to the committee and all board members who helped craft the amendments.

Our next big event is the annual Quilt Show. I hope your quilts are all ready to hang, and that each of you will volunteer some time to help with the show. This year promises to be the best we've ever had. I know you'll all support the show by bringing your family and friends to see our wonderful quilts, and be sure to buy and sell raffle tickets for the "30's Fabrics for the 30's" quilt, a beautiful Pinwheel pattern.

A wonderful organization like QU requires a large number of people to donate their time and energy to the group, and since we have a superior organization, it says a lot for the people who are getting involved.

In closing I would like to express my gratitude to all of the members who give their time and talents to this organization. Nothing is possible without your help everything is possible with it!

Linda

Minutes of QU Executive Board Meeting

September 25th, 2002

Meeting started at 7:11PM

Gayle Hindle reported that she sent invitations to 36 new vendors after visiting the Fort Washington Show. Twelve new vendors and 4 old vendors have signed up for a total of 52 vendors so far. Gayle will put additional information in the newsletter. Gayle has already turned newsletter article in (YEAH for Gayle).

Joan Clemons reported that she has written a check for the deposit for the Dulles Expo Center, and has paid the Webmaster for the year and paid the ISP bill. We are finally down to one ISP. Joan also corrected her phone number.

Pat Alfredson reported that newsletter articles are due October 15th, and the newsletter should come out within the first 10 days of November, and should include the class teachers that will be teaching at the quilt show. December 20th is the next deadline for the newsletter for a January 10th delivery, and will include the vendors who will be at the show, class schedule, and quilt show application. Future newsletter deadlines are March 1st for a March 15th delivery, to include nominations and annual meeting information and final newsletter deadline is April 20th for a May 10th delivery to include the Quilt Show demo list. Congratulations to Pat on a wonderful newsletter.

Andrea Gribble reported on the quilt show, and that we really need to get the web page updated to include the Quilt Show Application, Photos from last year, and a list of vendors for the first of the year, etc. Andrea also talked about the volunteers, saying that this is a big expense yearly, and the solution will be to charge all volunteers \$5 and give them a 3-day pass. She talked about the new facility, the teachers, and the articles in the magazines, starting in November. There will be a quilt show meeting the 1st Monday of every month. Presidents were asked to provide the name of the Quilt Show representative to Andrea. Sandra Rees has gotten one Corporate Vendor so far and that is Bernina.

Carla Bower reported on the Artisans and there was nothing to report, but she did talk about Ami Simms, and that she will be picking up Ami, and taking her to the workshop on Thursday and that Susan Sladek will be coordinating with Ami on the workshop and lectures. Mt. Vernon has confirmed the room at NOVA, and will be there to set up the lectures. Falls Church is ready for the workshops. Carla indicated that there is room available in the Thursday (October 9th) workshop and that there are only 11 registered, and that there are 10 registered for Saturday's workshop. She has put a message out on the Digest, and has opened it up to anyone who would like to attend. The workshop can accommodate a maximum of 25. Linda Roberts will bring the Big QU projector as a backup.

Web Liaison - Her e-mail address has changed to mowenfodd@quiltersunlimited.org; others items of discussion are under the web master.

Web Master - We discussed that the webpage needs to be updated in a timely fashion, it needs to include the quilt show application, Big QU newsletters, list of vendors, and classes that will be offered, it needs to also have the ability to let people register for classes on-line. We need to establish a

schedule for the update, since the site has not been updated since June 6th

Sully Quilt Show - Arlington did a fantastic job. The only thing that was missing that Linda Roberts received a phone call on were the QU brochures. Linda did not have a supply of the brochures. The Treasurer reported that the Secretary has the Brochures, and is responsible for having them updated and printed. Pat Alfredson will send Linda list of the Chapter information, and Linda can update it if Carla does not have Publisher. Carla should get the brochures reprinted and distribute to the chapters, who can pass them out to visitors.

Fall Quilt In - Everything is ready.

Winter Quilt In - This is scheduled for January 19th at the Falls Church High School. The snow date is February 9th.

Annual Quilt Show - is scheduled for May 30th, 31st, and June 1st, with the show being set up on May 29th. Andrea to find out if we will be able to feed the volunteers that help set up on the 29th.

We discussed Old Business of the Newsletter format, and decided that the format was fine, and since we increased the frequency of the Newsletter this year to 5 that the information was not old news.

We continue to discuss Bylaws: The one we are focusing on is boundaries of Quilters Unlimited of Northern Virginia. Leesburg, Country Side, and a few others would like to join our organization and have contacted Linda. Linda ask the Presidents at the last meeting to poll the guilds and find out if they were receptive on changing the bylaws to allow additional chapters. The response from the presidents was why haven't we done this before, the last chapter (Centreville) joined 10 years ago. Linda said that she would rework the bylaw and have it at the next meeting for review.

The meeting concluded at 8:50PM

Annual Meeting - Thursday, May 1, 2003

Lecture by David Walker

David Walker's quilts are non-traditional and largely abstract, including surface embellishments accomplished through use of machine applique techniques he has developed. David's workshops and lectures are focused not only on technique but also on the personal and spiritual aspects of the art. To see some of

David's quilts, visit his website at <http://www.davidwalker.us>. QU is very fortunate to have David Walker join us this spring, he has recently announced that he will be ceasing most of his lecture circuit to spend more time creating his beautiful quilts.

Subscribe to the QU Digest

Since 1995, the QU Digest has been an informal way for members to network and share information between official newsletters. It's sent electronically via e-mail. Once you subscribe, you will receive news about QU members, quilting tips, interesting websites, and pleas for missing books or fabric.

There is also ongoing news on workshops by QU and other guilds, bus trips, members' news, job announcements, quilt shows, moving notices, classified ads, yard sales, etc. A submission doesn't even have to be quilt related!

The QU Digest is published every few days, depending on the amount of news submitted.

At a website, you'll be able to see QU Digest archives for the last three years, an e-mail directory of members, quilting tips, quilting websites, and other pertinent files.

You must be a subscriber to the Digest in order to access the information.

If you wish to subscribe to the QU Digest, contact Barbara Tricarico (V, McL) at QUDigest@cox.net

National Ads For Our Quilt Show

As you were flipping through your favorite quilt magazine, did you notice our ad? If not, go back and look for it! The 30th Annual Quilters' Unlimited Show promises to be the best yet.

The North Building of the Dulles Expo Center is just perfect for the show. This year we have over 70 vendors and 20 teachers participating. Your out-of-town quilting friends will be making

advanced reservations to stay at your house the weekend of May 30- June 1, 2003. They won't want to miss the largest non-juried quilt show on the East Coast!

With many thanks to Barbara Wilbur, daughter of Bonnie Wilbur (C, V), the QU show will be advertised in some very prestigious magazines, such as *Quilter's Newsletter Magazine*, *American Patchwork & Quilting*, and *American Quilter*. Barbara has just finished college and is working at a local print shop. And WOW, can she do wonders with a computer! She has volunteered many hours of her free time (including lunch hours) to create some very professional ads for us. She also did the artwork for this year's show flyer. We are hoping these ads and flyers are seen by quilters worldwide.

In addition, news of our show has gone out to every guild on the East Coast that has a website or e-mail address. Our show has been listed in the events calendar on many international websites, such as the World Wide Quilting Page. We are hoping to get bus tours of quilters from as far away as New York. And if your house is too small to accommodate all of your friends, we have our own Official Quilt Show travel agent to help! Her name is Joanna Scott, of Scott Travel in Mechanicsburg, PA. You can reach her at 717-732-5813 or Jscotravel@cs.com

This year we ask each member to become a local ambassador for the quilt show. Our show flyers will be available at the January Quilt-In or from your chapter's Quilt Show Representative. Please take some and hand them out to all of your friends, co-workers, doctors, dentists, teachers, hairdressers, and anyone else that you meet. Invite everyone to come and see the wonderful quilts, dolls, and clothing created by you!

Betty Dietz, Publicity Director, Quilt Show 2003

Vice President's Corner

I can't believe it's already 2003! It's time to get cracking on your Big QU President's block! The block is a signature block. There is room enough for your name and a small message. Linda Roberts, our President, is working very hard for you and your Guild. I know it would really mean a lot to her for everyone to turn in a block for her President's quilt. The directions are listed on the next page. Please use natural muslin for the signature area and country fabrics or plaids for the triangle pieces. Also, sign the signature block with a fine black Pigma pen. If you don't have one, I'll have some at the January Quilt In. I hope that many of you will be able to turn in your block to me at the Quilt In. If not, please turn them into your

Chapter President by March 15th. If you have any questions, please feel free to e-mail or call me. My email address is Luv2Thread@aol.com.

Gayle Hindle, Vice President

Signature Block

President's Block for Linda Roberts 2002-2003

This block is similar to the "Quotations Block" quilt and blocks in the Feb 2003 issue of *American Patchwork and Quilting* (Page 80). I have adjusted the block size and made it smaller. We understand that Linda likes country colors, so keep that in mind when choosing fabrics for the dark squares!

FABRIC REQUIREMENTS:

Please use good quality 100% cotton fabrics

For Each Block you will need:

1 - 3 ½" square of Muslin

2 - 2" squares of Dark prints

To Assemble the Block:

Mark a diagonal line on the wrong side of each dark printed block. These lines will act as guides to make your sewing on the diagonal lines more accurate.

With right sides together place one dark 2" square of fabric over one corner of the 3½" muslin square. Sew along marked diagonal line. Leaving a ¼" seam allowance cut away excess fabric. Press the seam toward the dark fabric. Diagram 1

Repeat placing second square of dark fabric over opposite corner of the muslin square. Diagram 2

The completed block should measure 3 ½" square, including seam allowances. Diagram 3

Diagram 1

Diagram 2

Diagram 3

When you are finished sewing your block, please add your signature in a fine point pigma pen. You can turn your finished blocks in to Gayle at the January Quilt-In or mail them directly to Gayle Hindle 9715 Laurel St., Fairfax, VA 22032. Any questions on the block construction, Call Betty Dietz 703 815-2297 or e-mail bldquilt@hotmail.com

Notes from the Vendor Coordinator

The Quilt Show is a little over 4½ months away! I'm sure you all are working your little fingers to the bone making new and lovely quilts, wall hangings, art-to-wear garments and wonderful dolls. I know we are all looking forward to seeing everyone's handy work!

Word must be getting out about our show, I average anywhere from 2 to 5 calls or e-mails a week from vendors wanting to be in our 2003 show. They all tell me they've heard GREAT THINGS about our show and the wonderful ladies in our Guild. You ladies should be very proud of yourselves. But the show has been full for two months so any new "want to be vendors" will have to wait until next year for an invitation.

The success or failure of the Quilt Show is largely due to you, our membership. We need

your participation, your hard work on the job assignments your chapter is responsible for and in helping to bring in a larger "gate" or attendance than we had last year. This can be done with our advertising that started this Fall.

But you can make all the difference by talking to people now. Helping out of town friends form bus trips. Remember to contact Betty Dietz if you need flyers or help in forming bus trips. She doesn't do the bus trips but we have a travel agent that would be glad to help. Don't just set back and wait! The fun is doing!! Be part of "your" Quilt Show.

I'm sure you all want to know who our vendors are for next year. Listed below are our vendors. Please remember several may change due to vendors needing to drop out for various reasons. But I'm sure I'll have someone to replace them. I'll keep you informed. Gayle Hindle

Quilters Unlimited (QU) is a non-profit organization of quilters, with all chapters and activities in Northern Virginia. Founded in 1972, it has grown to approximately 1,000 members in 11 chapters, unified by a central Board of Directors. Members include women and men of all ages; traditionalists and contemporary quilters; beginners to renowned experts. Each chapter has its own scheduled events and functions. All chapters come together for Fall and Winter Quilt-Ins, a Fall Seminar, a Spring Quilt Exhibit showcasing members' work, and a May annual meeting with accompanying workshops. Visitors are welcome to attend a meeting of any chapter, as well as other QU activities. Annual membership is \$15. Quilters Unlimited Newsletter is published for members five times a year — September, November, January, April, and May. Our webpage is at www.quiltersunlimited.org. All QU members are welcome to contribute submissions. Contact Pat Alfredson (MtV), 1300 Crystal Drive, Unit 509, Arlington, VA, 22202, 703-416-2718 or pat.alfredson@verizon.net.
